

SPACE KRAAFT
BY KPS

Interiors, Modular Solutions

Crafting Spaces That Define Modern Living
Commercial | Industrial | Residential

Pune, Maharashtra | Est. 2019

Welcome To Spacekraft By KPS

Spacekraft by KPS is a Pune-based interior and modular solutions company specializing in commercial, industrial, and residential spaces. Backed by the expertise of KPS in construction, civil, interior, and MEP services, we deliver complete turnkey solutions—from design and planning to manufacturing, installation, and technical service integration—ensuring quality, functionality, and seamless execution under one roof. With an experienced team and in-house manufacturing capabilities, we create spaces that are modern, efficient, and built to last.

Vision

To be a leading interior solutions provider and modular furniture manufacturer known for innovation, quality, and timely delivery.

Mission

To deliver exceptional interior solutions through creativity, precision, and customer focused execution.

Values & Delivery Promise

Built On Strong Values & Professional Execution

At Spacekraaft by KPS, every project is driven by quality, transparency, innovation, and commitment. We focus on creating spaces that combine aesthetics, functionality, and long-term value while maintaining the highest standards of execution.

Integrity

We believe in transparent communication, ethical business practices, and maintaining trust throughout every stage of the project.

Craftsmanship

Every detail is executed with precision and attention to quality, ensuring superior finishing and lasting durability.

Innovation

We combine modern design concepts with practical functionality to create spaces that are stylish, efficient, and future-ready.

Commitment

Our team is dedicated to timely delivery, seamless coordination, and complete customer satisfaction from concept to completion.

Our Delivery Promise

Timely Project Completion

Structured planning and execution processes ensure projects are delivered within committed timelines.

Complete Turnkey Solutions

From design and manufacturing to installation and finishing, everything is managed under one roof.

Premium Quality Standards

We use trusted materials, advanced manufacturing practices, and strict quality supervision at every stage.

Let's Create Extraordinary Spaces Together

Whether you're building a home, upgrading an office, or developing a commercial facility, Spacekraaft by KPS delivers complete interior and modular solutions tailored to your vision.
